                                        G/B
                   Dsus
A-bove all pow-ers a-bove all kings
         D/C C
                     Dsus
                              D
                                     G
Above all na-ture and all crea - ted things
                       Gmaj7/D
                                                G/B
            Em
A-bove all wisdom and all the ways of man
                                       D/F♯ G
                    C/G
You were here be-fore the world be-gan
Verse 2
           D/C C
                     Dsus
                             D
                                  G
A-bove all king-doms a-bove all thrones
           D/C C
                          Dsus
A-bove all won-ders the world has ev-er known
   G/F♯
            Em
                         Gmaj7/D
                                             C G/B
A-bove all wealth and treas - ures of the earth
                      C/G
                                            Bsus/F♯
There's no way to meas - ure what You're worth
    Chorus
                  D/F♯
                                    G
           Am7
                 laid behind the stone
    Cruci - fied
                                       G
                           D/F♯
    You lived to die
                     re-jected and alone
              Em Gmai7/D
                                          G/B
                                      С
    Like a rose
                  trampled on the ground
                                            C2 Dsus
                  Am7
                        G/B
                            and thought of me
    You took the fall
           G ::: | C : Dsus D |
                       (above all powers...)
    Above all
           G: C D | (repeat chorus)
