Happy Day

Ben Cantelon | Tim Hughes

```
VERSE 1
   Α
                                D2
     The greatest day in history death is beaten You have rescued me
                              1 D2
         Sing it out Jesus is a - live
                                      D2
     The empty cross the empty grave
                                         life eternal You have won the day
                               | D2
         Shout it out Jesus is a - live
          | Esus
   He's a - live
CHORUS
                 D2
                           F#m7
                                    Ε
   And oh happy day happy day You washed my sin away
                       F#m7
             D2
   Oh happy day happy day I'll never be the same
            ID2
                    |F#m7
                              | E
                           For - ever I am changed
INSTRUMENTAL
   | A/C#
              | D2
                         | F#m7
                                     ΙE
VERSE 2
                                D2
     When I stand in that place
                                 free at last meeting face to face
                                 | D2
         I am Yours Jesus You are mine
                               D2
     Endless joy perfect peace
                                 earthly pain finally will cease
   F#m7
                               D2
         Celebrate Jesus is a - live
          | Esus
   He's a - live
BRIDGE
   F#m7
                             C#m
   Oh
              what a glorious day
                   Dmaj7
   What a glorious way
                              that You have saved me
       F#m7
                  what a glorious day
   And oh
                   | Dmaj7
                                       | A
   What a glorious name
                                         hey
```
