## Happy Day Ben Cantelon | Tim Hughes

```
VERSE 1
   G
                                C2
     The greatest day in history
                                    death is beaten You have rescued me
                              I C2
        Sing it out Jesus is a - live
                                          life eternal You have won the day
     The empty cross the empty grave
        Shout it out Jesus is a - live
          | Dsus
   He's a - live
CHORUS
       G
                 C2
                           Em7
                                    D
   And oh happy day happy day You washed my sin away
                       Em7
   Oh happy day happy day I'll never be the same
                     |Em7
            |C2
                             | D
                           For - ever I am changed
INSTRUMENTAL
   I G/B
              | C2
                        | Em7
                                    I D
VERSE 2
                                C2
     When I stand in that place
                                   free at last meeting face to face
                                 | C2
   Em7
        I am Yours Jesus You are mine
                               C2
     Endless joy perfect peace
                                  earthly pain finally will cease
   Em7
                               C2
        Celebrate Jesus is a - live
          | Dsus
   He's a - live
BRIDGE
   Em7
                             Bm
   Oh
             what a glorious day
                   Cmaj7
   What a glorious way
                               that You have saved me
       Em7
   And oh
                  what a glorious day
                   | Cmaj7
                                        | G
   What a glorious name
                                         hey
```
