

# Oh Praise Him

Verse 1

**G**                      **D/F#**                      **C2**  
Turn your ear to heaven and hear the noise inside  
**G**                                              **D/F#**  
The sound of angel's awe, the sound of angel's songs  
**C2**                                      **A7sus**  
And all this for a King, we could join and sing  
**C2**  
All to Christ our King

**D/F#**                                      **C2** **D/F#**                                      **C2**  
How constant, how divine, this love of ours will rise  
**D/F#**                                      **C2** **D/F#**                                      **C2**  
Oh, how constant, how divine, this song of ours will rise, will rise...

Chorus

**G**                      **D/F#**  
O praise Him, O praise Him  
**Em7**              **C2**              **A7sus**  
He is holy, He is holy

Verse 2

**G**                                      **D/F#**                                      **C2**  
Turn your gaze to heaven and raise a joyous noise  
**G**                                              **D/F#**  
The sound of salvation come, the sound of rescued ones  
**C2**                                      **A7sus**  
And all this for a King, angels join to sing  
**C2**  
All for Christ our King

(Chorus)

**D/F#**                                      **C2**              **D/F#**                                      **C2**  
How infinite and sweet, this love so rescuing  
**D/F#**                                      **C2**              **D/F#**                                      **C2**  
O, how infinitely sweet, this great love that has redeemed

As one we sing...

**G**              **D/F#**  
Halleluja, halleluja  
**Em7**              **C2**              **A7sus**  
He is holy, He is holy
